February 2, 2021

For Immediate Press Release

Our Clown Family is extremely excited to announce that we are participating in a nationwide campaign called: "[Adopt A Grandparent](#)".

We all understand the toll that the lockdown has taken on everyone, particularly some of our most vulnerable, who are not able to spend time with their families and loved ones. We want to do our part to uplift their spirits as well as the spirits of their families and nursing staff.

The "Adopt-A-Grandparent" campaign will help the nursing staff bring a smile to those that have been isolated since the lock down began with the delivery of a "Balloon Buddy" to each resident in the facility. We hope to bless the resident's families by showing love to their loved ones.

We also aim to create a community wide effort to remind our seniors that they are loved and they are thought of.

Started by Balloon Artists across the country to spread love and joy, "Balloon Buddies " are being used as a way to ease the loneliness of those that are currently in our neighborhood nursing homes and assisted living facilities.

So far, donations to deliver a "Balloon Buddy" for 10 Grandparents has been provided and it is a great start, but we have 20 Grandparents to be sponsored still to be able to provide a "Balloon Buddy" to every resident in Golden Meadows Assisted Living Facility located in Banning @ 3863 West Ramsey .

We are currently seeking sponsors for the additional 20 residents, and once all 30 Grandparents at Golden Meadows have been sponsored, the complete delivery will be made in one day. After the delivery is complete at Golden Meadows, we will move on to the next local Assisted Living Facility and begin again.

Please consider helping us.

For only \$20 you can help spread this love and joy by sponsoring a Grandparent at Golden Meadows to receive their very own "Balloon Buddy" and provide a balloon flower bracelet for the staff member to wear while delivering the "Balloon Buddy".

If you are an individual, business or organization that would be interested in becoming a sponsor, please contact *Christopher or Lena Abeyta of Our Clown Family at 951-259-7111*.

You can sponsor one Grandparent or an entire facility. Corporate Sponsors welcome.

Help put a smile on a senior in your very own community and make your sponsorship donation today.

Sponsorship donations are accepted with gratitude.
